### **III. FACTUAL ALLEGATIONS**

16. On January 23, 2011, Mr. Ring was in a private residence located in Humphreys County. One of the occupants of the residence set off a fire cracker and a

neighbor, thinking the fire cracker was a gunshot, called the Humphreys County Sheriff's Office to report the disturbance.

17. Defendants McCord, Hedge, and Lee all responded to the radio broadcast from the Humphreys County Sheriff's Department and arrived within minutes of one another at the private residence located at 245 Beck Lane in Humphreys County, Tennessee. All three of the defendants were in the uniform of the Humphreys County Sheriff's Department, were on duty, and were acting under color of state law.
  18. Mr. Ring and several other civilians were standing outside the residence talking to one another when the deputies arrived. No laws were being violated at the time by any of the civilians, including Darrin Ring.
  19. One of the Deputy Sheriffs had been involved in an unrelated traffic stop when he received the dispatch. The officer left the audio and video equipment running on his cruiser and when he arrived at the private residence the equipment was still in operation, recording approximately one hour of activity. A transcription of the audiotape appears as Exhibit A to this Complaint. The video portion shows Mr. Ring being repeatedly beaten, kicked, and administered multiple taser shocks as set forth in the following numbered paragraphs relating to the civil rights violation occurring at 245 Beck Lane.
- 
20. While Defendants Hedge and Lee were speaking with several of the bystanders Defendant McCord confronted Mr. Ring. Mr. Ring was not violating any law and was just standing in the yard responding to McCord's commands.

21. McCord repeatedly told Ring to take his hands out of his pockets, a command Ring found confusing as his hands were not in his pockets. Darrin Ring was compliant with McCord's instructions, including showing the officer his hands. Mr. Ring kept his hands down beside his body as instructed.
22. Mr. Ring was obviously intoxicated and was responding as best he could to whatever the officer told him to do. If the Defendant felt threatened, many options were available. This would include having Mr. Ring place his hands behind his back, on top of his head or at some other clearly obvious place. Instead, and for no apparent reason, McCord grabbed Mr. Ring and threw him to the ground.
23. It is well established officers have the responsibility to put only truthful statements in their incident and arrest reports. This notwithstanding, as to the incident described above, McCord created a fallacious report.
24. McCord's police report provides that Mr. Ring had: *"stepped away from me creating more distance between us. He then stood straight and angled his body toward me and began to smile. I quickly grabbed his arm and was trying to secure Mr. Ring for my safety and the safety of other deputies on the scene. Mr. Ring pulled away from me and we started to struggle."* McCord's report reciting these events is untrue and is contrary to the facts as clearly shown on video.
25. As Ring was being thrown to the ground by McCord, Deputies Lee and Hedge joined in the assault on Mr. Ring, despite the fact they were in close proximity to McCord and could see that Ring was presenting no danger to anyone. Still, they joined in the savage beating of Mr. Ring, even going so far as to strip Ring naked in the snow, causing further pain and degradation.

26. For multiple minutes, McCord, Hedge, and Lee mercilessly beat and kicked Mr. Ring while he was lying naked in the snow, offering no resistance whatsoever. Ring was struck with an object thought to be a flashlight repeatedly in addition to being kicked and otherwise beaten.
27. During the assault on Mr. Ring, Deputy Lee used pepper spray on Mr. Ring incapacitating him even further and obscuring much of his vision. Against all known policies and procedures, Lee also got pepper spray on McCord incapacitating his fellow officer.
28. Lee then contacted the dispatcher and requested assistance for more officers, notwithstanding the fact that, by this time, Mr. Ring was writhing in pain, lying naked in the snow, incapacitated.
29. The dispatch from Humphreys County was directed to Humphreys County law enforcement personnel as well to officers employed by the City of Waverly.
30. The City of Waverly is located in Humphreys County, Tennessee. Waverly operates in conjunction with Humphreys County under a mutual aid agreement whereby officers from Waverly will participate in law enforcement activities in Humphreys County. It is the custom, policy, and procedure of the Department of Safety of the City of Waverly and the City of Waverly itself to dispatch its officers to Humphreys County under this mutual aid agreement for law enforcement purposes when requested to do so by Humphreys County.
31. Acting pursuant to this mutual aid agreement as otherwise set forth herein, Officer Parnell, armed with a Taser, arrived at the scene where Mr. Ring had already been beaten and kicked as set forth above. Based on information and belief it is

asserted the Humphreys County does not have direct access to taser devices and thus it was for this purpose that Waverly officers were summoned.

32. Parnell arrived at the scene in full uniform and was on duty as a law enforcement officer and was acting under color of state law.
33. Pursuant to the commands of the deputies from Humphreys County, Parnell began administering multiple taser shocks to Mr. Ring.
34. While Ring was being shocked repeatedly he was being given inconsistent commands by the officers. The purpose of the taser is to incapacitate an individual yet the officers were yelling at Mr. Ring to roll/ turn over, an act which the taser strike rendered him physically incapable of doing, a fact properly trained law enforcement officers would or should know. Mr. Ring was then repeatedly kicked and struck and beaten even further while additional taser strikes were administered to his body while he was lying naked in the snow. This was all done purportedly because of Ring's failure to roll over, something he physically could not do. All of these vicious assaults on Mr. Ring can be observed in the video and Mr. Ring's cries of pain can be heard in the audio portions as well.
35. The brutal and unconstitutional assault on Mr. Ring continued for additional minutes during which time Sheriff Davis arrived on the scene. Davis knew or should have known of the extent of the situation since he had access to a police radio in his vehicle.
36. Sheriff Davis had uncontroverted authority to stop the beating of Darrin Ring occurring at 245 Beck Lane. Inexplicably, he did not do so and instead chose to allow his deputies to continue to beat Ring.

37. The beating Darrin Ring received at the 245 Beck Lane property in Waverly, Tennessee by the Defendant Officers constituted excessive force.
38. At some point, McCord, Hedge, Lee, and Parnell shackled Mr. Ring's feet and hands together.
39. Ring was then covered in some sort of blanket and transported by McCord to Three Rivers Hospital. Sheriff Davis followed in his own vehicle. At some point, Deputy Hedge also arrived at the hospital.
40. Although Ring was severely beaten, blinded by pepper spray, and in obvious pain, Sheriff Davis did not insist that Ring be treated at the hospital. Ring did not want to be touched and just wanted to be left alone. His remarks were construed as "declining treatment" and thus he was taken to the jail.
41. Sheriff Davis, McCord, and Hedge did not relate to the doctors or other medical personnel at the hospital the extent of Mr. Ring's beating and did not truthfully divulge to the medical staff the obvious injuries to Mr. Ring. Thus there was no treatment for Ring at the hospital.
42. Darrin Ring arrived at the jail, still naked, and requested a blanket or covering before being taken in the jail. While still shackled hand and foot, Mr. Ring was placed on a blanket, and was thrown into a jail cell.
43. During the evening hours of January 23, 2011 or during the early morning hours of January 24, 2011, Mr. Ring was in the jail cell with his hands still shackled to his feet. The Sheriff and Deputy Hedge entered the cell, according to Hedge's police report. This was done while acting in their official capacity and under color of state law. Although Ring was restrained hand and foot by mechanical devices,

the Sheriff then began to beat and strike Ring. Ring was also kicked in various places of his body including his ribs. Deputy Hedge either directly participated in the beating or assisted in the beating and acted in concert with Sheriff Davis based on information and belief. Although he had been partially blinded by the pepper spray and was otherwise severely injured, Ring was aware that it was the Sheriff who was personally beating him because he knew the Sheriff, given that the Sheriff had earlier been Mr. Ring's football coach. Mr. Ring also heard the Sheriff's voice taunt him while the Sheriff himself was pushing Ring's head into the wall of the jail cell. This additional beating occurred while Darrin Ring's hands were cuffed and shackled to his ankles.

44. The Sheriff and Hedge then left Mr. Ring in his cell bound hand and foot. By this time, Mr. Ring was having trouble breathing because one of his ribs had been severely injured and had ruptured his lung.
45. The beating of Mr. Ring in the jail cell was observed, in part, by other inmates of the jail including Larry Barbee. Barbee witnessed Mr. Ring, while wrapped in a blanket, being dragged down the hall of the jail. Barbee further saw Sheriff Davis striking Mr. Ring with his knee. Barbee observed Deputy Hedge assaulting Mr. Ring as well.
46. During the late evening hours of January 23, 2011 or during the early morning hours of January 24, 2011, acting pursuant to the policies and procedures of the City of Waverly with regard to the joint cooperation and assistance agreement, Officers Parnell and Bell arrived at the Humphreys County Jail. Parnell and Bell

were acting in their law enforcement capacity and were acting under color of state law.

47. Officers Parnell and Bell entered the jail cell containing Mr. Ring ostensibly to retrieve the probes left in Mr. Ring's body by the taser strikes earlier that evening. Even though Ring was bound hand and foot by various shackles (as verified by the reports of Humphreys County Deputies) Parnell's report indicates that "Ring began to kick and swing his arms at us in the cell." At this point Bell began shocking Mr. Ring with a taser device. Parnell attacked Mr. Ring who was physically handled by Parnell in some fashion causing further pain and agony.
48. At some point following the second beating by Sheriff Davis, one of the female county employees, believed to be Tammy Ross, commented that she had never seen anyone shocked by a taser before. In response, Waverly Officer Kinta Bell offered to show Tammy Ross firsthand a taser experience. Officer Kinta Bell took Ms. Ross to Darrin Ring's cell and advised her to watch him shock and taser Darrin Ring. Officer Kinta Bell then unlocked and opened the secured jail cell, saw Darrin Ring cuffed and shackled and laying in the floor of the jail cell, and asked the female employee to stand back and watch. Then, without any provocation whatsoever, and while Darrin Ring lay helpless and shackled on the floor and in front of an audience, Officer Kinta Bell proceeded to unnecessarily taser Darrin Ring. It is believed that Darrin Ring may have additionally been "dry tasered" as well as being separately tasered with prongs while Mr. Ring was confined in the jail cell. Officer Kinta Bell was acting in his official capacity and under color of state law at all times herein.

49. The use of a taser on Darrin Ring while he lay shackled in the jail cell constitutes unnecessary and excessive use of force.
50. Chris McGowan was in inmate at the time Darrin Ring was brought into the cell and beaten and tasered. Mr. McGowan found taser wires in the cell of Darrin Ring after this taser event occurred.
51. On or about 9:00 a.m. on January 24, 2011, Mr. Ring was taken to the hospital because he was having trouble breathing and was experiencing extreme pain. The transporting officers advised the medical personnel that the reason for the visit was an "altercation with police officer." The medical records also indicate that Mr. Ring advised the doctors that he had been "beaten up last night." The medical records established that Mr. Ring was suffering from multiple abrasions, his face was bloody, and he had suffered multiple internal injuries including three rib fractures. After being treated for his injuries, Ring was taken back to the jail.
52. Mr. Ring remained in the jail under warrants obtained by McCord, Hedge, and Lee for alleged aggravated assault on said officers. These and related charges were eventually dismissed by the District Attorney.
53. On or about July 7, 2011, Sheriff Davis issued a public "statement" which provides in part: *"The video [of the beating of Mr. Ring] is a two dimensional depiction of the events on January 23, 2011. It was in the dark and large movements of the deputies are seen. We welcome T.B.I. to investigate the actions and events of that night. We feel our deputies will be shown to have conducted themselves as trained when all the facts come out."* The "statement" is attached to this Complaint as Exhibit B.

54. Each of the defendants individually, and in concert with the others acted under color of law in their official capacity, to deprive Mr. Ring of his rights to freedom from illegal searches and seizure of his person and his right to freedom from unlawful arrest, detention, harm, punishment, and imprisonment; said rights secured to Plaintiff by the Fourth and Fourteenth Amendment to the Constitution of the United States and by 42 U.S.C. §§ 1983 and 1988.
55. As a direct and proximate result of the intentional, willful and/or recklessly indifferent acts of the defendants, Plaintiff has suffered and sustained severe mental and physical pain and suffering and injury.
56. Plaintiff is entitled to compensation for the constitutional harms that the defendants inflicted upon him including personal injury, loss of liberty, and violation of his constitutional rights.
57. The Defendant Humphreys County and Defendant City of Waverly had an existing policy and procedure, and/or failed to properly train and/or improperly supervised its officers and deputies as to same. This constitutes an actionable cause against Humphreys County and the City of Waverly and against Sheriff Chris Davis in both his individual and official capacities in violation of the Plaintiff's Fourth and Fourteenth Amendment rights under the Constitution of the United States.
- 
58. The above-described deprivations of Plaintiff's constitutional rights are a direct and proximate result of the actions, omissions, policies, and customs of Defendant Humphreys County and the City of Waverly and all Defendants who knew or should have known that the policies, customs, and conduct violated clearly

established constitutional rights that would have been apparent to reasonable persons.

### COUNT I

59. In committing the acts complained of herein, Defendants acted under of color of state law to deprive Ring of certain constitutionally protected rights under the Fourth and Fourteenth Amendments to the United States Constitution including but not limited to the right to be free from unreasonable searches and seizure, the right not to be deprived of liberty without due process of law, the right not to be deprived of property without due process of law, the right to be free from excessive use of force by persons acting under color of state law, the right to be free from false arrest, and the right to just compensation for taking of property.
60. In violating Mr. Ring's rights as set forth above and other rights that will be proven at trial, Defendants acted under color of state law and conducted an unauthorized warrantless illegal stop, search, and seizure of Mr. Ring and used excessive force on him. The illegal detention and harm against Mr. Ring included an unauthorized and warrantless illegal search and seizure and the use of excessive force by Defendants in violation of the Plaintiff's rights under the Fourth and Fourteenth Amendments to the Constitution of the United States.
61. As a direct and proximate result of the violation of his constitutional rights by the Defendants, Plaintiff suffered general and special damages as alleged in this Complaint and is entitled to relief under 42 U.S.C. § 1983.
62. The conduct of the Defendants was willful, malicious, oppressive, and/or reckless and was of such a nature that damages should be imposed against all Defendants

and, with the exception of Humphreys County and the City of Waverly, that punitive damages should also be imposed in an amount commensurate with the wrongful acts alleged herein in an effort to deter this type of egregious conduct from happening to other citizens of Humphreys County, and with the hopes that Humphreys County executive officers will enact more humane detention policies and procedures, as urged by the court in *Cotham v. Davis, et al.*

## COUNT II

63. The Defendant, City of Waverly and Humphreys County has adopted policies, procedures, practices or customs within their respective law enforcement agencies and as part of their mutual agreement to assist one another that allow, among other things, the excessive use of force when other more reasonable and less drastic methods are available.
64. The actions of all Defendants amount to deliberate indifference to the right of the Plaintiff to be free of excessive force and unreasonable search and seizures under the Fourth and Fourteenth Amendments to the Constitution of the United States.
65. As a result of the deliberate indifference to the rights by all Defendants including the City of Waverly and Humphreys County and its agents, servants, and employees, the Plaintiff suffered serious personal injury and is entitled to relief under 42 U.S.C. § 1983.

## COUNT III

66. In committing the acts complained of herein the Defendants acted under color of state law by falsely arresting and detaining the Plaintiff with no basis in fact or

law to do so. In violating the Plaintiff's right to be free from false arrest the Defendants violated the Plaintiff's rights under the Fourth and Fourteenth Amendments to the Constitution of the United States.

67. As a direct and proximate result of the violation of his constitutional right to be free from false arrest by the Defendants, Plaintiff suffered serious personal injury and special damages as alleged in this Complaint and is entitled to relief under 42 U.S.C § 1983.

#### **COUNT IV**

68. The conduct of the Defendants in seizing Mr. Ring was objectively unreasonable and constituted excessive force and deprived Mr. Ring of his right to be secure in his person against unreasonable seizure guaranteed under the Fourth and Fourteenth Amendments to the Constitution of the United States.
69. The conduct of the Defendants in failing to render immediate medical treatment to Mr. Ring constituted deliberate indifference to Mr. Ring's obvious and serious medical needs and violated Mr. Ring's right not to be deprived of life, liberty, or property without due process of law and to be accorded equal protection of laws and guaranteed to Mr. Ring under the Fourteenth Amendment to the United States Constitution and 42 U.S.C. §1983.

#### **COUNT V**

70. With respect to the facts and causes of action against Sheriff Davis, Ring asserts that Sheriff Davis implicitly authorized, approved, or knowingly acquiesced in the unconstitutional conduct of the officers under his command and those which were summoned under the mutual aid agreement of the City of Waverly.

71. Sheriff Davis was summoned to the scene of the initial beating of Mr. Ring and had access to the radio and could determine whether such force was appropriate or required.
72. Sheriff Davis was actually at the scene as Mr. Ring was being subdued and had ample opportunity to familiarize himself with the facts that had transpired and/or could have seen the beating for himself given that the entire incident had been recorded on equipment contained in the patrol vehicle.
73. Sheriff Davis has failed to train or supervise his deputies in a manner consistent with the Constitution.
74. Sheriff Davis was on notice no later than December 16, 2009, in an Order entered by the United States District Court in *Cotham v. Davis and others*, case number 3:08-1022 that he had no effective policies or procedures in place and that at least one of his deputies, Defendant Hedge, had violated the constitutional rights of citizens. In spite of knowing Defendant Tim Hedge had blatantly violated a Humphreys County citizen's civil rights, Sheriff Davis took no action to reprimand Defendant Tim Hedge on Defendant Hedge's improper and illegal conduct prior to this additional incident involving Darrin Ring occurring in January 2011. Such failure to restrain and re-train county employees on proper use of force procedures enhanced and perpetuated a culture of harm and recklessness to the citizens of Humphreys County. Such harm has been exposed by several additional complaints of recklessness by the citizens of Humphreys County.

75. In his “statement” of January 23, 2011, Sheriff Davis specifically stated that the actions of his deputies concerning the incident regarding Mr. Ring as alleged herein was conducted by the deputies as they were “trained” by Sheriff Davis and Humphreys County. See Exhibit B.
76. On or about December, 18, 2010, prior to the incident involving Mr. Ring, Sheriff Davis was placed on notice by a citizen that his deputies had acted violently to other citizens and he was warned if he did not get control of his officers, “They were gonna kill someone.” These allegations are more particularly set forth in *Dreaden vs. Humphreys County, Tennessee, et al*, United States District Court, Tennessee. Case, Number 3:11-cv-01188.
77. Sheriff Davis is the highest municipal policy maker for law enforcement activities as it relates to the Sheriff’s Department of Humphreys County and the deputies under his command and those law enforcement officers who are summoned by the City of Waverly to act in concert with the Humphreys County Sheriff’s Department.
78. The decisions and actions and inactions of Sheriff Davis constitute an action by the municipal policy maker to violate the constitutional rights of Mr. Ring.
- 
79. Sheriff Davis ordered or participated or directed the conduct of his deputies and the responding officers from Waverly and that it was the policy, ordinance, regulation, decision, or customs of Sheriff Davis and Humphreys County that was the moving force behind the constitutional violations against Mr. Ring.

80. As alleged, the City of Waverly and Humphreys County had a mutual aid agreement and, in particular, this contemplated that officers from the City of Waverly would be summoned to assist in law enforcement activities in Humphreys County where a taser was to be used since, on information and belief, Humphreys County did not have access to a taser itself at that point. Thus the harms inflicted by officers from the City of Waverly with the taser against Mr. Ring was part of a practice, policy, or custom of Humphreys County which both Humphreys County and the City of Waverly knew or should have known would have produced severe harm to Mr. Ring in violation of his constitutional rights to be free from unlawful detention and the use of excessive force.

81. The actions of Sheriff Davis, Humphreys County, and the City of Waverly were intentional, malicious, and oppressive and constituted reckless indifference to the needs and rights of the Plaintiff who is thus entitled to damages for violation of his rights under the Fourth and Fourteenth Amendments to the United States Constitution and his civil rights pursuant to 42 U.S.C. § 1983 and, in the case of Sheriff Davis and the other Defendants other than the City of Waverly and Humphreys County, the Plaintiff is also entitled to punitive damages.

---

82. Defendant Humphreys County knew, or in the exercise of reasonable caution should have known that The City of Waverly had not properly trained its officers on the correct use of the electroshock taser weapon. Defendant Humphreys County owed a duty to the citizens of Humphreys County, including to Darrin Ring, to properly utilize the taser device on its subjects. Defendant Humphreys

County and The City of Waverly breached the duty of proper care owed to Darrin Ring by failure of being aware of the City of Waverly's lack of proper and adequate taser training. Darrin Ring suffered direct harms and losses as a result of this breach of duty owed unto the citizens of Humphreys County and unto himself.

#### **COUNT VI**

83. The Defendants City of Waverly, Humphreys County, and Sheriff Davis, by and through their authorized agents, servants, and employees permitted, encouraged, and tolerated an official pattern, practice, or custom of its law enforcement officers with violating the federal constitutional rights of the citizens of Humphreys County, including specifically the Plaintiff.
  84. The Defendants City of Waverly, Humphreys County, and Sheriff Davis, by and through their authorized agents, servants, and employees had in place at the time of the incident the following rules, regulation, practices, or customs one or more of which was a proximate result of the injuries to the Plaintiff.
  85. The Defendants City of Waverly, Humphreys County, and Sheriff Davis, by and through their authorized agents, servants, and employees had in place at the time of the incident the following rules, regulation, practices, or customs one or more of which was a proximate result of the injuries to the Plaintiff.
- 
86. Defendants City of Waverly, Humphreys County, and Sheriff Davis failed to adequately train and educate their officers in the proper procedures to employ when interacting with citizens who might be intoxicated.

87. Defendants City of Waverly, Humphreys County, and Sheriff Davis failed to adequately train and educate their officers in the proper use of force to subdue a citizen, in particular the proper use of force in subduing a citizen who might be intoxicated and in providing proper medical care to a citizen who is injured by law enforcement.
88. Defendants City of Waverly, Humphreys County, and Sheriff Davis failed to adequately train and educate the officers with respect to the proper methods of using tasers and refraining from the use of such excessive force when not absolutely necessary.
89. Defendants City of Waverly, Humphreys County, and Sheriff Davis failed to discipline their officers with respect to violations of the laws of the State of Tennessee, the Constitution of the United States, and their own policies regarding the use of force.
90. Defendants City of Waverly, Humphreys County, and Sheriff Davis implicitly or explicitly failed to train and supervise their officers which amounts to deliberate indifference to the rights of the Plaintiff to be free from excessive force and unreasonable seizures under the Fourth and Fourteenth Amendments to the Constitution of the United States.
91. The failure of Defendants City of Waverly, Humphreys County, and Sheriff Davis to adequately train and supervise Defendants McCord, Hedge, Lee, Parnell, and Bell amounts to deliberate indifference and reckless disregard to the rights of the Plaintiff to be free from excessive force and unreasonable seizures under the Fourth and Fourteenth Amendments to the Constitution of the United States.

92. The foregoing actions of all Defendants were directly and proximately caused by the policies, practices, and customs of the City of Waverly, Humphreys County, and Sheriff Davis which all were conducted under color of state law to deprive Mr. Ring of constitutionally protected rights including but not limited to the right to be free from unreasonable searches and seizures, the right not to be deprived of liberty without due process of law, the right to be free from excessive use of force by persons acting under color of state law, and the right to proper medical attention after being injured by law enforcement officers, all producing significant injuries to Mr. Ring entitling him to compensation under 42 U.S.C. § 1983

#### **COUNT VII**

93. The actions and omissions of the Individual Defendants complained of herein were unlawful, conscious shocking and unconstitutional and performed maliciously, recklessly, fraudulently, sadistically, retaliatory, intentionally, willfully, wantonly and in such a manner as to entitle the Plaintiffs to a substantial award of punitive damages.

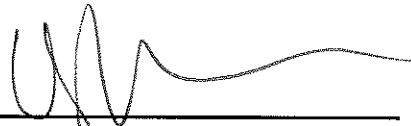

#### **PRAYERS FOR RELIEF**

94. That process issued to the Defendants and that they be required to answer in the time required by law.
95. That judgment be rendered in favor of the Plaintiff and against the Defendants on all causes of action asserted herein.
96. That Plaintiff be awarded those damages to which he may appear that he is entitled by proof submitted in this case for his physical and mental pain and suffering both past and future, loss of enjoyment of life, and the violation of his

**Subject:** Patrol Car "In Car Video": January 23, 2011

**From:** Grey Collier  
Humphreys County PIO

**Date:** 7/7/2011

**Message:**

"The video is a two dimensional depiction of the events on January 23, 2011. It was in the dark and large movements of the deputies are seen. We welcome the T.B.I. to investigate the actions and events of that night. We feel our deputies will be shown to have conducted themselves as trained when all the facts come out. This should be resolved through the investigation and subsequently in a court of law if needed. Any further statement at this time would be careless given the nature of the investigation."

Sheriff Chris Davis  
Humphreys County Sheriff's Department
